Paper No 1

In April 1892 the D.C. of Kolar submitted an alienation statement of land to be granted to Shanbogue Venkatarayappa in lieu of his Service Inam which was submerged by the improvement of the Chikamalé tank in the Malur Taluk

2

2. The tank was improved so far back as 1881. The Dy Commr was asked to

report the authority under which the tank was improved by the Kodagidar and what ~~became~~ became of the remaining land not submerged.

3. The D. C. now submits the report from which it would appear that a portion of the work was Executed in 1866 and that it was completed in 1881. No written order was obtained but the present Kodagidar says that the tank was restored under personal orders from the then Dy. Commr. Mr Krishnaiyar. Out of the 3 Kudus of the main land 2 K - 1½ P were submerged and the remainder namely 14½ P were rendered unfit for cultivation.

unable to produce any authority for having done so, but refers to the ~~verbal~~ verbal orders of the then Dy Comr Mr. Vishwanagar. The submersion of the sowing lands was due to the restoration, and Govt land is proposed to be granted in lieu. The Pakka Potgi of the Malur Taluk has not been, it is reported, sanctioned. The Shanbhog has stated that if the exchange of lands cannot be sanctioned, he may be given Potgi. Under these circumstances it is a question for consideration whether the Dy Comr's proposal should be sanctioned.

gross neglect on the part of the Taluk officials in replying to the references made by the Dr Commissioner. It is not understood what notice has been taken of the delay of 7 years in reporting the particulars called for in the Dy Comr's order No 61 dated 19th September 1881. The Dr Commr is therefore requested to report the result of the enquiry made by him in the matter and submit the authority under which the Kodigidars was allowed to raise the level of the Kodi or otherwise improve the tank in question, thereby rendering the Shanbhog's Inam land liable to Assessment.
